

A fresh take on laundry.

An important message from Suds Launderette regarding COVID-19

Wash & Fold Customers

Dear valued customers, given the current situation with COVID-19, we have made the decision to **temporarily suspend our “drop off” Wash N Fold and Dry-Cleaning service.** This is to ensure the safety of our staff, so we are limiting staff hours at the store, mainly to clean and sanitize the store for all clients who use the coin laundry.

Suds Solution: Pick Up & Drop Off Service.

We understand that many of you rely on this service and we want to continue to serve our loyal customers. These services will be available on a limited Pick up and Drop off basis on Mon/Wed/Fri only. Suds is offering this service at 50% off our usual pick up/drop off fee of \$10. Should you wish to arrange for a pick up, please text us at 647-499-7088 or by email at info@sudslanderette.com. We will continue to keep you updated via text to any changes in service.

Coin Laundry Customers

New Hours to access the store: 5am to 11 pm daily

Dear valued customers, given the current situation with COVID-19, Suds is responding to the concern’s individuals may have when using a public space, such as a Laundromat. For the past five years, we have worked very hard to keep our establishment as clean and sanitary as possible. In saying that, Suds has decided to increase the frequency of our daily cleaning of all touch points (floors, machines, coin machines, etc..) that are used by all of our valuable customers and staff, to ensure the safety for all who come to use this facility.

To further help with “social distancing”, we have decided to increase the hours the store will be open to reduce congestion during historically peak hours. The new hours will be from 5 am to 11 pm, seven days a week. We hope that these extra cautionary procedures and expanded hours will be of comfort and help to all our customers.

Yours truly,

Robert
Suds Launderette
